---

## FRIDAY SPEECH SUMMARY March 28, 2008

Speaker: Imam Mohamad Mwafak Algalaieni, PhD.

Subject: "Islamic Morals"

The main points of the speech are:

- Main teachings of Islam are: Faith, Rituals, **Manners**, and Shariaa.
- Allah praised Prophet Mohammed (p.b.u.h.) for his excellent manners and character. *[And verily, you (O Muhammad) are on an exalted (standard of) character] 068.004*
- Character is very important in the daily life of individuals.
- Islam morals, ethical standards, and teachings are based on the goodness of individuals.
- The moral behavior of an individual affects the society as a whole. Concerning the importance of good manners, the prophet (p.b.u.h.) was asked about the things that lead to Paradise, He answered: [Being careful about one's obligations to Allah and good behavior] Narrated by Al-Tirmidhi.
- Good manners and behaviors are more valuable than many other deeds. The prophet Mohammad (p.b.u.h.) said: [Nothing is weighted heavier in the justice (of Allah) than good manners] Narrated by Abu-Dawed.
- In Islam, economic status doesn't affect moral standards; morals are strengthened by our faith in Allah *[It is only those who believe not in the Ayat (proofs, evidences, verses, lessons, signs, revelations, etc.) of Allah, who fabricate falsehood, and it is they who are liars] 016.105*
- True faith always leads to a strong moral character, hence a good Islamic behavior. The prophet Mohammad (p.b.u.h.) said: [ Whomever believes in Allah and the hereafter shouldn't hurt his neighbor, and whomever believes in Allah and the hereafter should welcome his guest, and whomever believes in Allah and the hereafter should say what is good or stay silent] Narrated by Bukhari&Muslim.
- Two examples of high moral behavior:
  1. Before you pass on news from someone, make sure that it is the truth.
  2. Avoid suspicion, don't spy or speak ill of people.

The main points are prepared by Farhan Armanazi, reviewed and approved by the Imam - If you have any questions or concerns please contact the Imam at 810-603-9920.
